

DRIFTLESS IN TIME

Capturing the Moment

A stunning collection of imagery and essays celebrating the ancient, natural landscape of the Driftless Region

DRIFTLESS IN TIME: Capturing the Moment

Sharing the Driftless Region Through the Art of Photography

Driftless in Time is a stunning 11 × 14 limited-edition coffee table book celebrating the beauty, history, and spirit of the Driftless Region through the work of regional photographers and writers.

More than a book, it is a lasting legacy that inspires appreciation, education, and stewardship while preserving the unique landscape and stories of the Driftless for future generations.
